We prefer to receive mat orders by mat measurement whenever the old mat meets these guidelines.
Please Note :

1. If your old trampoline mat has a hole, do not measure across or near hole. If hole risks measurement or if replacing most or all the springs, order using frame measurements here: <https://www.trampolineproshop.com/oval-mat-order.php>
2. Mat can be measured while installed or while laying on a flat surface of the trampoline. pull the mat at while measuring.
